- l. Hexaware shall have the discretion to make employment offers to any of the Preselected Students upon successful selection in Hexaware's recruitment process subject to completion of their graduation. Hexaware shall not be under obligation under this MOU to recruit any fixed number of Pre-selected students.
 - m. The program involves substantial efforts and investment and continuous engagement from Hexaware with the intent to develop and hire substantial numbers from the College. The College shall therefore take all necessary steps to ensure that at least 90% of the pre-selected students join Hexaware after successful completion of the training. A drop in the joining percentage below the expected level will seriously jeopardize Hexaware's interests and may be a material reason to not continue the engagement in the following years.
 - n. Pre-selected Students who undergo this program in their 3rd Year, after completing the Hexaware Training Program, may be given an internship opportunity in their 8th Semester (4th Year) by Hexaware either in its premises or through the Hexaware Lab which will be setup in the College for administering Internships remotely by Hexaware.
2. This MoU is subject to the College earmarking 100+ students for placement in Hexaware exclusively and meeting the qualification and past performance criteria defined by Hexaware (Ranking in either of the following: NIRF, Career 360, NBA & NAAC (A))
 3. The MOU shall be valid for three years from the date of execution. Hexaware shall have the right to terminate this MOU in the event of breach of material obligations including confidentiality obligations by the Partner, by giving a notice of fifteen (15) days, provided that the breach is not remedied by the College within such period.
 4. The Parties herein have agreed to perform various obligations for the purpose outlined in the MOU earlier and there is no monetary obligation/consideration involved herein between the Parties. The College shall bear all expenses towards providing

infrastructure, network and internet access, other facilities required for the education and training and such other expenses incurred in performing its obligations under this MOU. Hexaware shall likewise bear the cost of its portion of obligations under this MOU.

5. The Parties shall take reasonable steps to ensure the successful performance of the obligations agreed including setting up of a Joint Governing Council consisting of the Dean and Heads of Departments of the College and Subject Matter Experts and a Program Director from Hexaware both to monitor/audit the Program on a quarterly basis and cooperate with each other to duly performing the obligations agreed upon.
6. Under no circumstances, shall the Parties be treated as the vendor, employee, contractor, representative and agent of the other.
7. Any information or documentation received by the Partner during the term of this MOU shall be deemed as 'Confidential Information' under this MOU. The Confidential Information includes, but is not limited to, any information, course material, plans, discussions, strategies or any material provided by Hexaware or its Partners to the College, and Hexaware's technology including discoveries, inventions, research and development efforts, manufacturing processes, hardware/ software (regardless of media) design and maintenance tools and hardware/software product know-how, which may be disclosed by Hexaware to the College during the pendency of this MOU. Confidential Information shall also include any information marked "Confidential" or "Proprietary" but does not include any information already in the public domain or such information which was obtained from a third party. Both the parties shall not disclose, reproduce or use any Confidential Information for any purpose except solely in connection with the performance of this MOU. Upon expiration or termination of this MOU, Partner shall cease using all such Confidential Information and it shall either destroy or return all copies of such Confidential Information, in whatever form. the Parties and any of its personnel/ students/ faculty shall not disclose the Confidential Information during the term of this MOU and for a period of 1 year after.

The Parties shall not make unauthorized use of the trade name, trademark, copyright, patent, symbol, licenses, or designation belonging to the other party without prior approval and permission. In the event, the College or any of its personnel/ students/ faculty breach its confidentiality obligations or infringe the intellectual property of Hexaware, Hexaware shall have the right to pursue appropriate remedies available at law and shall be entitled to equitable relief. In addition, the College shall indemnify, defend and hold harmless Hexaware, from and against all claims and all losses, liabilities, obligations, damages, expenses and costs (including without limitation reasonable legal fees) brought against or suffered by the other or any of its respective officers, directors, employees or agents, resulting from, arising out of or relating to breach of confidentiality obligations, applicable laws and regulations and infringement of intellectual property.

8. Hexaware shall also provide requisite publicity material such as handouts, information brochures and posters, if applicable to the College. Upon expiration, termination of this MOU or when requested by Hexaware, the College shall cease using all such material and documents and it shall immediately return all copies of the documents, in whatever form to Hexaware.
9. Neither of the parties shall not use the name of the party in any advertisement nor make any public announcement without the prior written approval of the other party.
10. Hexaware may have similar collaborations with other institutions and this Agreement is not exclusive.
11. The College may have similar collaborations with other Companies so long as Hexaware's interests are not compromised, confidentiality of the knowhow and processes are maintained, the pre-selected students alone are put through Hexaware's

training curriculum and made available exclusively to Hexaware for its recruitment process.

12. The college shall take all necessary steps to safeguard the interest of Hexaware by avoiding any conflict of interest with other competing companies. Prior approvals need to be taken from Hexaware for any event involving the pre-selected students or the Hexaware CoE.
13. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or any claim. However, the terms and the conditions in this MOU shall be kept confidential.
14. The Parties agree that no party shall be held liable for the commission and omission of the other party under this MOU.
15. The parties represent that they have the full power and authority to enter into this MOU in general and none of the objects stipulated herein are against public policy.
16. The Parties shall designate their respective representatives who shall be the primary point of contact on behalf of that party as below

Memorandum of Understanding (MOU)

This MEMORANDUM OF UNDERSTANDING (MOU) is entered on **16-September-2022** by and between:

- I. **Capgemini Technology Services India Limited**, a company incorporated under the Companies Act, 1956 with its office at Plot No. 14, Rajiv Gandhi Infotech Park, Hinjewadi Phase-III, MIDC-SEZ, Village Man, Taluka Mulshi, Pune - 411057 Maharashtra (hereinafter referred to as "**CAPGEMINI**" which expression shall unless excluded by or repugnant to the context, be deemed to mean and include its successors-in-interest, assigns and affiliates,

AND

- II. **Technocrats located at Technocrats Group Campus, Anand Nagar, BHEL, Bhopal - 462021, Madhya Pradesh** hereinafter referred to as the "**Institution**" which expression shall unless excluded by or repugnant to the context, be deemed to mean and include its successors-in-interest, assigns and affiliates).

CAPGEMINI and The Institution are also referred to as the "**Parties**" in the collective and as the "**Party**" in the singular.

1. This MOU between CAPGEMINI and Institution is executed with the objective of fostering collaboration between the two institutions to promote industrial and academic interaction to help enhance the pool of student talent ("Collaboration"). The Collaboration hereunder shall commence on **16-September-2022** and will be valid for 2 years from the date of commencement. The educational programs conducted under this Collaboration will offer an opportunity: (Refer Annexure I)
2. Either party shall make available appropriate infrastructure facilities for the Collaboration, which may include general access to the facilities, faculty, staff, teaching content, classrooms, library facilities, computer and communication facilities, stationery and other materials as may be required for the various programs to be offered. This shall however be subject to the requirements of clause 7 and 8 below.
3. This Collaboration is non-exclusive and each party shall be free to enter into similar collaborations with other institutions/organizations.
4. Institution agrees to unconditionally grant CAPGEMINI a preferential sharing status for recruiting its students from the campus.
5. The parties to this Collaboration, unless expressly stated in any subsequent written agreement, shall have no obligation to compensate the other in any manner. Each party shall bear their respective expenses incurred under this Collaboration.

6. Neither party shall:

- a) Infringe the intellectual property belonging to the other party
- b) Use any trade name, trade mark, symbol or designation belonging to the other without prior written approval of the other party
- c) Be or represent itself as a representative of the other
- d) Create any liability for the other

The parties shall keep the other indemnified against the breach of this clause.

7. Confidential Information shall mean all proprietary information or data furnished by either Party and/or its affiliates before or after the Effective Date hereof, whether written or oral which includes but is not limited to Parties' trade secrets, processes, devices, designs, concepts, improvements, know-how, algorithms, models, inventions (whether or not patentable or copyrighted), developments, decision technology, specifications, techniques, sketches, works of authorship, applications processes, strategies, designs, photographs, profile of its subsidiaries, branches or details of shareholding, financials, projections, track record, profile of product, any data or information regarding either Parties employees, prospective employees, business objective / criteria, employee lists, employee profiles, employee information, and other documentation relating to past, present or future business activities and services, which is disclosed by the Party within thirty (30) days of the disclosure and which was designated as 'Confidential' or with a similar legend at the time of disclosure.

Both Parties agrees and confirms that it shall not use, share, and reveal any Confidential Information provided by either Parties for any purpose other than for rendering Services under this MoU and provide it only on a need to know basis to its Personnel (including subcontractors wherever applicable) for provision of Services under this MoU with prior written permission from the other Party. The Parties will ensure that all Personnel assigned to provide the Services under this MoU have signed appropriate confidential and non-disclosure agreement (with terms no less onerous than terms appearing in this MoU) to ensure either Parties Confidential Information disclosed under this MoU is protected from unauthorized use and disclosure. Both Parties hereby assumes full liability for the actions of its Personnel who have access to the Confidential Information provided by each other and agrees that it shall be liable for all such actions as though those actions were the actions of the other.

Save as permitted in clause above:

- either Party shall not mention or otherwise use the name or trademark of each other or its affiliates in any publication, press release, promotional material or other form of publicity without the prior written consent of the appropriate individual designated for the purpose by concern Party;
- the receiving Party shall take all steps as may be reasonably necessary to protect the integrity of the Confidential Information and to ensure against any unauthorized disclosure thereof;
- promptly inform the other of any potential or accidental disclosure of the Confidential Information and take all steps, together with the aggrieved Party, to retrieve and protect the said Confidential Information;
- use the Confidential Information only for the purpose for which it was provided and not profit from the same in any unauthorized manner to the exclusion of the disclosing Party.

Both Parties acknowledges that in the event of any breach or threatened breach of this clause by either Party or its Personnel, monetary damages may not be an adequate remedy, and therefore, the Parties shall be entitled to injunctive relief to restrain the other or its Personnel from any such breach, actual or threatened.

Director
Technocrats Institute of Technology
(Excellence)
Anand Nagar, Bhopal

8. Either Party shall not be liable for any indirect, exemplary, special, punitive, consequential or incidental losses, damages, claims, liabilities, charges, costs, expenses or injuries (including, without limitation, loss of use, data, revenue, profits, business and for any claims of customers of other Party or other third parties claiming through such other Party) that may arise out of or be caused in connection with or result from this MoU or any other obligations undertaken under the terms of this MoU.
9. The Institution agrees to ensure that all personnel from the Institution (including students) abide by the applicable CAPGEMINI policies when working on CAPGEMINI premises with regard to Collaboration. The Institution agrees to keep CAPGEMINI fully indemnified against any unlawful activity or breach of instructions from CAPGEMINI by any personnel (including students) admitted to the Collaboration hereunder, including acts of hacking.
10. All or any dispute arising between the parties in respect of this MoU of whatsoever nature shall be resolved under the laws of India and any or all such disputes will be subject to the exclusive jurisdiction of the courts in Mumbai, India.
11. This MoU is not intended to create any relationship in the nature of franchise, joint venture, or agency between the Parties. Neither Party shall act in a manner that expresses or implies a relationship other than that of independent contractors, nor bind the other Party. Either Party or any of its employees/ personnel shall not, under any circumstances, be deemed to have any employer-employee relationship with the other Party.
12. This MoU has been signed in duplicate, each of which shall be deemed to be an original.
